Upon a transfer in violation of this Article VI, the transferee shall have no right to vote or participate in the management of the Company or to exercise any rights of a Member. Such transferee shall only be entitled to receive the share of the Company's Net Profits, Net Losses and distributions of the Company's assets to which the transferor would otherwise be entitled. Notwithstanding the immediately preceding sentences, if, in the determination of the remaining Members, a transfer in violation of this Article VI would cause the termination of the Company under the Code, in the sole discretion of the remaining Members, the transfer shall be null and void.

ARTICLE VII CONSEQUENCES OF DISSOLUTION EVENTS AND TERMINATION OF MEMBERSHIP INTEREST

7.1 Dissolution Event. Upon the occurrence of the death, withdrawal, resignation, retirement, insanity, bankruptcy or dissolution of any Member ("Dissolution Event"), the Company shall dissolve unless all of the remaining Members ("Remaining Members") consent within ninety (90) days of the Dissolution Event to the continuation of the business of the Company. If the Remaining Members so consent, the Company and/or the Remaining Members shall [have the right to] purchase, and [if such right is exercised,] the Member (or his or her legal representative) whose actions or conduct resulted in the Dissolution Event ("Former Member") shall sell, the Former Member's Membership Interest ("Former Member's Interest") as provided in this Article VII.

7.2 Withdrawal. Notwithstanding Section 7.1, upon the withdrawal by a Member in accordance with

Section 3.2 such Member shall be treated as a Former Member, and, unless the Company dissolves as a result of such withdrawal, the Company and/or the Remaining Members shall [have the right to] purchase, and [if such right is exercised,] the Former Member shall sell, the Former Member's Interest as provided in this Article VII.

7.3 Purchase Price. The purchase price for the Former Member's Interest shall be the fair market value of the Former Member's Interest as determined by an independent appraiser jointly selected by the Former Member and by Remaining Members holding a majority of the remaining Membership Interests. The Company and the Former Member shall each pay one-half of the cost of the appraisal. Notwithstanding the foregoing, if the Dissolution Event results from a breach of this Agreement by the Former Member, the purchase price shall be reduced by an amount equal to the damages suffered by the Company or the Remaining Members as a result of such breach.

7.4 Notice of Intent to Purchase. Within thirty (30) days after the fair market value of the Former Member's Interest has been determined in accordance with Section 7.3, each Remaining Member shall notify the Members in writing of his or her desire to purchase a portion of the Former Member's Interest. The failure of any Remaining Member to submit a notice within the applicable period shall constitute an election on the part of the Member not to purchase any of the Former Member's Interest. Each Remaining Member so electing to purchase shall be entitled to purchase a portion of the Former Member's Interest in the same proportion that the Membership Interest of the Remaining Member bears to the aggregate of the Membership Interests of all of the Remaining Members electing to purchase the Former Member's Interest.

7.5 Election to Purchase Less Than All of the Former Member's Interest. If any Remaining Member elects to purchase none or less than all of his or her pro rata share of the Former Member's Interest, then the Remaining Members can elect to purchase more than their pro rata share. If the Remaining Members fail to purchase the entire interest of the Former Member, the Company [may] [shall] purchase any remaining share of the Former Member's Interest. [Any purchase of a Former Member's Interest must be the entire interest.]

7.6 Payment of Purchase Price. The Company or the Remaining Members, as the case may be, shall pay at the closing one-fifth (1/5) of the purchase price and the balance of the purchase price shall be paid in four equal annual principal installments, plus accrued interest, and be payable each year on the anniversary date of the closing. The unpaid principal balance shall accrue interest at 10% per annum, but the Company and the Remaining Members shall have the right to prepay in full or in part at any time without penalty. The obligation of each purchasing Remaining Member, and the Company, as applicable, to pay its portion of the balance due shall be evidenced by a separate promissory note executed by the respective purchasing Remaining Member or the Company, as applicable. Each such promissory note shall be in an original principal amount equal to the portion owed by the respective purchasing Remaining Member or the Company, as applicable. The promissory note executed by each purchasing Remaining Member shall be secured by a pledge of that portion of the Former Member's Interest purchased by such Remaining Member.

7.7 Closing of Purchase of Former Member's Interest. The closing for the sale of a Former Member's Interest pursuant to this Article VII shall be held at 10:00 a.m. at the principal office of Company no later than sixty (60) days after the determination of the purchase price, except that if the closing date falls on a Saturday, Sunday, or California legal holiday, then the closing shall be held on the next succeeding business day. At the closing, the Former Member shall deliver to the Company or the Remaining Members an instrument of transfer (containing warranties of title and no encumbrances) conveying the Former Member's Interest. The Former Member, the Company and the Remaining Members shall do all things and execute and deliver all papers as may be reasonably necessary fully to consummate such sale and purchase in accordance with the terms and provisions of this Agreement.
